Subject: BDCP EIR/EIS coordination meetings

Hello Karen/Tom:

I've been asked by Jerry Meral and Dale Hoffman-Floerke to connect with you and provide updates on the progress of the BDCP EIR/EIS. I have been involved in the BDCP since 2006 as DWR's lead in-house counsel. I also follow the Delta Stewardship Council plan development closely. Erick Soderlund in our office is the lead for SWRCB issues so I will likely ask him to assist me with gathering information for your review as well.

When you have an opportunity, please call me to discuss what issues/documents you may want to review.

I look forward to meeting you both.
